ISSUANCE #2

SUBJECT: Changes to Display of Emperor's Hammer Uniform Elements (Wings)

1. **Applicability:** All Emperor's Hammer Command and TIE Corps personnel.
2. **Purpose:** This issuance formally clarifies Flight Certification Wings as a discrete achievement, and provides policies for the awarding and wear of wings on member uniforms.
3. **Situation:** The diversification of gaming activity within the Emperor's Hammer has led to an increased number of members that participate in flight operations in multiplayer only. The current system of flight wings displayed on Emperor's Hammer and TIE Corps uniforms directly relates to a member's Fleet Commander's Honor Guard (FCHG) rating (single player performance). This has resulted in a large number of members being unable to qualify for increasing levels of wings, or in some cases any flight wings at all.
4. **Policy:** Effective 28 January 2021, the FCHG wings displayed on member uniforms are re-designated as Flight Certification Wings. Wings will be awarded by taking into account a member's FCHG Rating (SP), Combat Rating (MP PvP), and COOP Rating (MP PvE) points.
5. **Implementation:** Issuance of upgrades to Flight Certification Wings will be centralized and managed by the database system automatically. Once awarded, Flight Certification Wings will not be downgraded due to changes in the member's underlying FCHG/Combat Rating/COOP Rating points (i.e., loss of a high score) except in the case of administrative errors. Implementation will occur in two phases:
 - a. **Phase 1 (29 January 2021):** Each member's initial Flight Certification Wings will be awarded by taking into account current FCHG points, Combat Rating points, and COOP/PvE Rating points. New echelons of wings will be awarded automatically by the database system on a daily basis. TTT2 will begin displaying a member's earned wings up to a maximum of 20th echelon. The member's wings will also be displayed on the individual's Flight Record.
 - b. **Phase 2 (TBD):** With the release of TTT3, wings up to 21st echelon will display.
6. This issuance does not have an expiration date.
