ISSUANCE #3

SUBJECT: Privileged Access to Emperor's Hammer Information

1. Applicability: Members assigned to conduct testing on EH web site(s) who have not executed an approved Privileged Access Agreement (PAA).
2. Purpose: This issuance contains policy regarding access to privileged information by Emperor's Hammer members obtained during testing of Emperor's Hammer web sites and resources.
3. Alpha/Beta testing of Emperor's Hammer site(s) occurs in a development sandbox using a snapshot of live data. During the testing process, you may be granted elevated permissions for the purpose of testing site functionality. These permissions may grant you access to view privileged information, including information related to other Emperor's Hammer members, that is not normally associated with your duty position(s). Access to this information is granted to you for official purposes, namely performing assigned testing. Use of this information for any other purpose is not permitted, and may subject you to disciplinary action under the policies of the Emperors Hammer.
4. The Emperor's Hammer Privacy Policy dated 8 April 2009, and Emperor's Hammer Bylaws dated 16 December 2009, are incorporated into this issuance by reference.
5. This issuance does not have an expiration date.
